March 6, 1974 - Swasey Gymnasium

Meeting was called to order at 7:10 p.m. by the Moderator, Richard L. Russman, who welcomed everyone to the meeting. He requested that all non-voters sit in one section. Prayer was offered by Rev. George Fisher, Pilgrim United Church of Christ. The Moderator introduced the Chairman of the Finance Committee, Bruce A. Sloan, as well as the Town Clerk and three Selectmen. The Moderator congratulated the Selectmen in having no corrections for the Town Report.

The new voters were welcomed and asked to stand. The results of the balloting from the previous day were read by the Moderator. The following were appointed to the Finance Committee by the Moderator: E. Allan Walker, George Harmon, Charles Hannagan and Mrs. David Ingalls. He thanked those who had completed their three year term. He briefly explained the Finance Committee and its duties.

Art. 2 - A motion was made and passed (after discussion) that the sum of \$288,226.00 be raised and appropriated to defray town charges for the ensuing year.

An amendment was made and NOT passed (voice vote) to cut the Fire Department by \$3,000.00 (to \$16,175.00).

Another amendment was made and NOT passed (voice vote) to cut the Recreation Commission by \$1,000.00 (to \$2,740.00).

Another amendment was made and then withdrawn - that the \$3,000.00 be reinstated and earmarked as a Capital Reserve Fund for FM Communications Equipment for the Fire Department.

Still another amendment was made that the debate on the Article be closed and vote the question. This amendment was passed on a voice vote, and it was then that the Moderator returned to the original figure of \$288,226.00. The Moderator appointed the following tellers to count the hand vote when the voice vote was uncertain: Dwight Killam, C. Steven Briggs, David Ingalls and David Conant. Standing vote was: YES 233 NO 49.

Art. 3 - It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Art. 4 - Voted on ballot previous day.

Art. 5 - It was voted to raise and appropriate the sum of \$605.00 and the State will contribute \$4,032.43 for Class IV or V Highways under the provisions of T.R.A.

Art. 6 - It was voted to table this Article until the Selectmen check on the Davis-Bacon Act, relative to building the Town Garage.

A motion that Article 14 be taken up first was ruled out of order. However, the Moderator did state that he would allow the voters to discuss the merits of Articles 6, 7 or 14.

The vote was a standing one: YES 231 NO 67

Art. 7 - A motion was made and seconded to appropriate \$27,-560.00 for a Town Tax Map and authorize the withdrawal of \$17,-

560.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State & Local Assistance Act of 1972, with the balance of \$10,000.00 to be raised by taxation.

An amendment was made and seconded to appropriate \$27,-560.00 for a Town Tax Map and authorize the withdrawal of \$27,-560.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State & Local Assistance Act of 1972.

After discussion, it was voted to table this article and amendment until we have dealt with Article 14. (voice vote)

Art. 8 - It was voted (as amended) to set a maximum salary for the Road Agent of \$9,000.00 to include a 2 weeks paid vacation, and a maximum salary for the Assistant Road Agent of \$8,000.00 to include a 2 weeks paid vacation.

Another amendment to include the salary of the Chief of Police in this article was ruled out of order.

Art. 9 - It was voted to raise and appropriate the sum of \$4,-300.00 to purchase a road sand spreader.

Art. 10 - It was voted to raise and appropriate the sum of \$8,-000.00 to purchase a tractor bucket loader.

Art. 11 - A motion was made and seconded that the Town raise and appropriate the sum of \$25,000.00 to purchase a Rural Water Supply Hose-Pumper Truck, to be used to replace the 1938 Diamond T truck which is being used as a water supply truck. Much discussion followed and then an amendment was made that this article be tabled. The standing vote was YES 150 and NO 158; so the article was NOT tabled.

One voter asked that a ten minute recess be taken, but the moderator ruled this out of order.

Then a standing vote was taken on the original motion, and the results were YES 156 and NO 171. The Article was defeated.

Just as the Moderator was going to announce the results of this vote, a fire was reported at the Joseph Pelletier residence in Great Pond Park, and all the Firemen rushed from the Gym to go to the fire. In all fairness to the firemen, it was suggested that the meeting be adjourned.

A motion was then made that the meeting be adjourned until 7 P.M. next Wednesday night in the Gymnasium. It was passed. (voice vote) This was at 9:30 P.M.

After this, Leonard F. Sanborn, Kingston's Representative to the General Court, asked the Moderator to get an opinion from the

people there relative to the Oil Refinery. Several people spoke on the subject and then the following questions were asked:

Do you think any authority in N.H. should over-rule the local towns? No

Are you in favor of Home Rule where the towns would decide the issue? YES

Are you in favor of a Refinery in N.H., if approved locally?
About ½ Yes and ½ No

The informal meeting closed at 10:20 p.m.

MINUTES OF CONTINUED TOWN MEETING

At Swasey Gym - March 13, 1974

Meeting was called to order at 7:10 p.m. by the Moderator. The Moderator announced that the Selectmen have appointed James Jackson to the Planning Board.

A motion was made and seconded that we reconsider Article 11 as printed. Moderator said that he would entertain a motion to reconsider because the results were being announced when the fire took place last week. Robert Merrick brought out a point of order on the reconsideration, but the Moderator ruled the point is not well taken and is out of order. Charles Hannagan felt that meeting was adjourned, but was ruled out of order. Several further comments followed, including a feeling that *all* articles voted last week should be reconsidered - not only this particular one. The standing vote was YES 69 and NO 189 and the tellers appointed were David Conant, Donald Sanborn, Forrest Decatur and John Durling.

Art. 12 - A motion was made and seconded that the Town raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund towards the purchase of a Pumper Hose Truck for the Fire Department to replace the 1938 Diamond T Pumper Hose Truck.

An amendment was made and passed that the amount be increased to \$12,500.00. (Standing vote was 176 YES and 101 NO.)

An amendment that the Fire Chief and the Fire Wards be allowed to place an order for the Pumper Hose truck chassis as soon as possible, and that the Fire Chief and the Fire Wards be allowed to use whatever part of the \$12,500.00 Capital Reserve Fund, that is needed to pay for the truck chassis at time of delivery, was defeated on a voice vote.

A motion was made and seconded that the Article be tabled.

along with the amendment, pending the outcome of Articles 14 and 7. This was defeated on a voice vote.

A motion was made and passed that we vote on the amendment. (results above.)

An amendment that the price be dropped back to \$10,000. was withdrawn. Upon returning to the original motion, it was voted as amended (to \$12,500.00) on a voice vote. (Selectmen will check with Town Counsel on increasing amount in an article, to be sure it is all right to do so.)

Art. 6- A motion was made and passed (standing vote 171 YES 52 NO) that Article 6 be taken from the table and bring it back on the floor.

It was voted as amended, that the Town raise and appropriate the sum of \$23,500.00 to construct a Town Garage, to be located on the Peasley property on Main Street - old Route 125; and further to re-distribute the amount of \$23,500.00, received in 1973 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purpose of operating expenses for the Kingston Police Department in the amount of \$13,500.00 and for the purposes of operating expenses for the Kingston Fire Department in the amount of \$10,000.00 and further to change the allocation of funds in the Estimated Budget of the Town of Kingston, N.H. for the year 1974 to conform to and reflect the above expenditures. (A motion was made and passed to cut off debate and vote on the Article as amended).

Art. 13 - It was voted to raise and appropriate \$750.00 to be used by the Kingston Revolutionary Bi-Centennial Committee for such expenses as may be incurred in the planning of the commemoration of the American Revolution.

Art. 14 - A motion was made and seconded that the Town approve the use of Federal Revenue Sharing Funds in the amount of \$27,560.00 to defray Kingston's portion of any capital expenditures incurred by any school building program. Much pro and con discussion followed until a motion was made and passed to cut off debate. The main motion was then defeated on a voice vote.

Art. 7 - Moderator returned to Article 7 and read article in its original state and as it was amended. It was voted on a voice vote that the Revenue Sharing Funds of \$27,560.00 be used for a Town Tax Map - as printed above - as Article was amended at last week's meeting.

Art. 15 - At 9:07 a 5 minute recess was declared by the

Moderator. Meeting reconvened at 9:13 p.m. It was voted, as amended, to appropriate the sum of \$9,000.00 for the salary of the Chief of Police to include two weeks paid vacation, which is a 5.9% increase over last year's salary. The words "no less than" were struck out of original motion by amendment voted.

Art. 16 - It was voted, as amended, that the Town appropriate a sum not to exceed \$1,500.00 for Hospitalization Insurance for the three fulltime employees: Chief of Police, Road Agent and Assistant Road Agent, to be continued annually.

Art. 17 - A motion was made and seconded to accept the article as read. Then the following amendment was made and seconded: To see if the Town will raise and appropriate an amount of money sufficient to pay retirement costs to the N.H. Municipal Employees Retirement system known as Plan 2 for elected officials of the Town of Kingston. This amount will be proportioned as follows: 6.87% of the Town Official salary to be paid by said Official and 6.55% of the town officials' salary to be paid by the Town of Kingston. These amounts to be paid on a continuing basis. After a pro and con discussion, a motion was made and passed that Art. 17 and the amendment be tabled.

Art. 18 - Article was ruled out of order by the Moderator on the advice of the Town Counsel.

Art. 19 - A motion was made and seconded to adopt the article as read. (Planning Board had previously voted in favor of acceptance of this article.) Then an amendment was made and passed that the additional duties of the Building Inspector to include the following: (1) The witnessing of all percolation tests to insure that the tests are done in compliance with State Regulations. (2) Requesting State inspection of all new septic systems. After much discussion, it was voted to cut off debate. Another amendment was made that the first line of the fee schedule be stricken out. It was then voted to table the entire article until the next annual meeting. YES 148 NO 83. A suggestion was made that the Selectmen make the points a little finer.

A motion was made that we adjourn meeting until next week, but was not passed. Objection was voiced by David Conant because of a School Board meeting next week.

Art. 20 - It was voted that the Town will give the Selectmen authority to sell Town land at Great Pond Park to abutting owners at a price commensurate with type and location of land. Purchasers of such lots to use same to increase lot size of abutting lots and so record these lots as not being separate lots.

It was amended (by voice vote) that all costs involving surveying marking, transferring and recording to be borne by the purchaser. No lot involving access to water rights shall be sold. A motion to cut off debate was passed.

Art. 21 - It was voted that the Town of Kingston accept Bartlett Beach Drive and Webster Landing Road as Town Roads.

Art. 22 - It was voted that the Town of Kingston accept Kenlin Lane, Oak View Road and Shendoar Drive as Town Roads.

All persons refusing or failing to pay said fine shall be summoned before the Plaistow District Court.

3. Any dog found not to be leashed or restrained shall be seized and held by the Police Department in humane and adequate facilities for a period of ten (10) days at the cost of \$2.00 per day. 5. All dogs must be licensed once a year, according to R.S.A. Chapter 466, with the Town Clerk. (Due May 1st, penalty after June 1st)"

An amendment to substitute "dog officer" for "police department" was defeated. Also defeated was the following amendment: Any dog found not to be leashed or restrained shall be seized and held by the Dog Officer who shall be appointed by the Selectmen and who's pay will come from fines.

Also defeated was: that the third offense be a \$50.00 fine.

Robert L. Vincent & Andrew S. Wight, Auditors

During 1974, I have continued to do my best to serve the residents of Kingston. In September, I again revised my "Helpful Information for New Residents" Folder, adding several new items. Kingston continues to grow rapidly.

The Concord computer Registration forms for the autos worked out a little better in 1974 for me, and hopefully 1975 will be even more accurate.

I have been appointed a Registrar by the Selective Service, enabling 18 year olds to register for the draft at my office instead of going to Exeter. This must be done 30 days before or 30 days after the 18th birthday.

On October 1st, the Town of Kingston started selling the Federal Food Stamps, and I was designated as the Issuing Agent for the Town. The first month, I handled 77 ATPs (Authorization to Purchase forms), and in the month of December, I handled 208

ATPs. These people come from surrounding towns as well as from Kingston, and our service has been very gratefully received by all those who need to use it. All certifications for Food Stamps are done at the Portsmouth Welfare Office, phone # 1-431-6180.

In mid November, the Board of Selectmen entered into a contract with the Rockingham/Strafford Manpower for the employment of Mrs. Irene M. White, Deputy Town Clerk who has been assisting in all Town Departments in the clerical work involved. This program will be completed on April 1, 1975. Prior to this arrangement by the Selectmen, all hours that Mrs. White worked for me, including my vacation, were still at my own expense.

I wish to humbly thank the Selectmen for the Dedication of the Town Report last year. With all the work that I do to produce each report, I was astounded to learn that this "got by me!"

Many thanks for the continued support and cooperation which I constantly receive from the Town Officers and committee members. Without this cooperation, my job would be fruitless. If re-elected to this office, I will strive to give you the service that you need, continuing as I have done in the past, as I serve the citizens of KINGSTON with pleasure.

**ANNUAL REPORT OF TRUSTEES OF TRUST FUNDS AND
CEMETERIES
TOWN OF KINGSTON, N.H. FOR 1974**

In 1974 one 10' x 20' and three 10' x 10' cemetery plots were sold. Perpetual care was added to two others. This makes a total of 235 Trust Funds.

Several improvements were made in Greenwood Cemetery. The chain link fence on the West boundary line has been completed.

All trees and bushes on a 100' x 200' section of land were removed to make room for an additional forty 10' x 10' plots.

The sale of the timber from this, along with selective cutting in the wood lot in the back of the cemetery, provided funding for the above projects.

Assistance in developing the timber project was provided by the N.H. State Forester, without cost to the Town.

Completion of the fencing at Greenwood is planned for 1975.

Maintenance in all cemeteries was performed under the direction of Wilbert Swett (Sexton).

LIBRARY REPORT - 1974

In anticipation of the Bi-Centennial Celebration the library staff has compiled a bibliography of the fiction and non-fiction books within the library relating to Colonial New Hampshire, New England and the people who played an important role in its inception. Reprints and new edition of books have been purchased with this theme in mind. We have also received several books as gifts to supplement our Bi-Centennial collection.

Ninety-one books have been rebound and six hundred ninety eight were purchased for the adult and junior library. We have had an increase in circulation of more than six hundred books, periodicals and puzzles.

Mrs. Robert Verheul gave an illustrated lecture of Morroco, displayed her beautiful crafts, clothing and served Moroccan tea during National Library week.

We had an excellent exhibit of the arts, crafts and clothing projects of the 4-H members of Kingston. The Girl Scouts displayed a model of "A Girl Scout Camp" which they made.

Miss Elaine Cheney conducted a summer reading program and a Christmas party with stories, film strips and movies.

Mrs. Stratton, Assistant Librarian attended classes in library science at the University of New Hampshire in July. The Trustees, delegates and staff have attended New Hampshire State Library meetings and work shops.

New shelving was added to the Junior Library, floor covering was installed in the lavatory and frames were made to protect the shrubs from the snow and ice.

The library has been used by the Historical Society and the Bi-Centennial Committee for their meetings.

The Friends of the Library have been very active. They have sponsored book and cake sales, book reviews by Mrs. Robert Griffin, story hours, and movies which Mrs. Richard Tobin has shown once a month. The Friends served refreshments during National Library Week and to the children at their parties.

We wish to thank the Garden Club for the plants and decorations, Mr. and Mrs. Walter Jones for the beautiful Christmas tree and the Cub Scouts who shared their interesting Christmas tree with the hand made decorations.

Respectfully submitted,
JANET MERRICK, Librarian

RECREATION COMMISSION REPORT

The fourth year for the Kingston Recreation Commission has drawn to a close. Priscilla Clark and Nancy Penny left the Commission in March and were replaced by Florence Mills and Gertrude McGlinchey. Later James Latford resigned and David Grenon filled his post.

During 1974, the Kingston Recreation Commission participated in numerous and varied activities. Our year began with an Easter Egg Hunt in April, with pre-schoolers and first graders combing the plains for chocolate eggs and jelly beans. Prizes were awarded to the children finding special huge chocolate rabbits. A good time was had by all.

Soon it was time to begin plans for the Summer Recreation program held during July and August. John Paolino, the playground Director for a second year, planned an exciting schedule of activities. Included were roller skating, miniature golf, an outing to Canobie Lake Park and a varied athletic schedule closing with a track meet. In the Arts and Crafts department, Kitty Malloy and her friends created kites, decoupage, painted rocks, went on nature hikes, and made ecology sculptures. Meanwhile, plans were being made for Sports and Family Day to close out the Summer Program, which involved activities for all ages. Among them were horseshoe contests, tug of war, golf chipping, watermelon and pie eating contests and pennies in a sand pile for the little folks. The merchants of the area generously donated prizes well worth the effort to win. The VFW and Auxiliary, firemen and police, and Lions helped to make the day a success. The closing band concert was a perfect ending for a perfect day.

Then came the start of school and with it came new activities for the Commission. Linda Branco began dance classes for girls in the Town Hall to run from October to June. With the proceeds of this venture, we were able to procure a record player and records to be used for these classes. Then came a crafts group, sponsored by the Commission in the Town Hall. During the autumn they made pine cone wreaths and advent calendars among other things. Attendance was excellent. Exercise classes under the direction of Mrs. Sherry Healey from Exeter, began in November with a good attendance. These classes are resuming in 1975. October brought the Halloween parties to give the children a substitute for 'trick or treat'. This year, in particular, the parties were very well organized, and judging from lots

of happy faces and screams of delight, the children had a find time. The PTA Room Mothers played a large part in making them a success. In November the Middle School and the Recreation Commission sponsored a Thanksgiving Dance in the Town Hall. Dozens of donuts and gallons of cider were consumed and a dance band was hired for the evening. Most expenses were met by proceeds of the dance itself.

Thus concludes another year, but activities are going on even now. The exercise classes and dance classes are resuming. The Recreation Commission has worked long and hard for the Citizens of Kingston and the betterment of our town. We need your continued support for a bigger and better 1975.

Respectfully Submitted,
THE KINGSTON RECREATION COMMISSION

TREASURER'S REPORT FOR 1974

The Commission started 1974 with a balance of \$167.23 on the check book and \$6.43 in cash. With the amount allotted by the town, there was a total operating budget of \$3607.23.

As usual, the largest expenditure was for the Summer Program at \$1695.00 in salaries and \$300.00 for equipment and supplies. The Easter Egg hunt came to \$22.87. The Halloween Parties totaled \$299.14. The Thanksgiving Dance was \$27.55 in the black. Self supporting projects or nearly so, were Sports and Family Day, The Dance Classes, Exercise Classes, Craft Group, and Get Away Day. Again the balance of this year's budget went toward the construction of the Skating Rink, with an excess of \$118.75 returned to the town of Kingston.

REPORT OF POLICE DEPARTMENT 1974

The Kingston Police Department responded to a total of 1230 calls in 1974 as compared to 1973 when there were 1129 calls, which is due to the increase of families moving into the town of Kingston.

The Kingston Police Department responded to some 74 accidents, patrolled a total of 70,000 miles.

The Police Department has 11 men ready to serve the Town people of Kingston with a new phone system that works out of the Sheriff's office with the number 772-4716 on a 24 hour a day basis.

The Officers are Chief Neil R. Parker, Sr.; Officers: Wayne E. Martin and Harry E. Clarke, Jr.; Constable, Donald E. Cook. Specials are George Korn, Frank Kervin, Christopher Garvey, Glenn Miller, David Conant, Harold H. Jillson and Warren W. George.

The Police station has been completed to better serve the citizens of Kingston, and is located upstairs in the Central Fire House, Main Street West. Due to limited funds, we cannot be there 24 hours a day. However, the station is big enough so it may be able to serve Kingston for a long time to come. An open invitation to anyone who would like to visit may do so by calling the station.

A special thanks to all the local merchants and citizens for their patience as the Police Department has asked and received different articles and all the time receiving several pieces of equipment and material for the Station.

Thank you all, NEIL R. PARKER, SR.

REPORT OF THE KINGSTON HISTORICAL MUSEUM

The Kingston Historical Museum is located on Depot Road at the rear of the Town Hall and the Museum Committee consists of the following members - Chairman, Miss Elaine Cheney; Co. Chairman, Mr. Warren Bakie; Curator, Mr. J. Edward Stevens; Treasurer, Mr. Alfred Carbone and Secretary, Mrs. Rodney M. Wilson.

Committee meetings are held monthly and the Museum is open from June to October or longer if weather permits.

Once again a Flea Market was held at the time of the Carnival and was a success financially. On August 11th we held open house to one hundred guests who showed much interest in our exhibits.

Mr. J. Edward Stevens had presented to the Museum a 200 year old loom which was made workable by Mrs. Gardner Ladd of Brentwood and was demonstrated by Mrs. Robert Merrick. Mrs. Merrick also displayed wool which she had dyed with natural dyes. Mrs. Lawrence Smith, Sr., demonstrated rug hooking and Mrs. Francis Cronin the making of quilts. Mr. Warren Bakie had a display of ye old country store merchandise.

We have received many gifts during the year some of them are -

1. An old two seated sleigh presented to the Museum by Mr. and Mrs. Chesley Bixby of Haverhill and Kingston. The sleigh was originally the property of Luther D. Peaslee, grandfather of Charlotte Wood Jewett.

2. A violin made by Mr. Key of Brentwood. The wood from which it was made was Black Walnut, a piece of the old Black Walnut tree taken down last Spring, near the home of William Friend.

3. An old sewing machine from the West Kingston Improvement Society.

4. A band uniform and a trombone presented by Mrs. Harold Webster.

5. An old corn popper donated by Mrs. Dwight L. Killam of Fremont, N.H. This corn popper was given to her by Mr. Warren Tucker when she first came to Kingston.

Many small gifts were received and a number of articles loaned for the summer.

It was gratifying that many Kingston residents visited us this year. Keep coming for we have new exhibits every year. We also had visitors from Maine, Massachusetts, Rhode Island, Florida, New York, Louisiana, Pennsylvania, and Idaho.

We thank all who attended the Museum on Sunday afternoons.

Respectfully submitted,
GERTRUDE E.B. WILSON,
Secretary

HISTORIC DISTRICT COMMISSION

The Historic District Commission has met at least once a month this past year, with meetings being held at the Town Hall. Six requests were received and acted on during the year.

A letter to residents of the Historic District along with a map of the District and a data sheet were hand distributed by members of the commission. The purpose of the data sheet is to obtain information on each building in the District to be used in the compilation of a file which would also include photographs. It is hoped that all residents of the District will fill out and return these sheets to the chairman.

An amendment to the Zoning Ordinance adopted March 7, 1972 pertaining to the Historic District(s) has been prepared to be voted on March 4, 1975.

We also have been working on policies to guide the commission in the carrying out of their duties.

Respectfully submitted,
John F. Cunningham, Chairman
Gertrude W. Semple, Secretary
C. Steven Briggs, Member of Planning Board

REPORT OF THE KINGSTON REVOLUTIONARY BICENTENNIAL COMMITTEE 1974

Members of the Committee attended a number of events during the past year and began several projects to commemorate Kingston's role in the American Revolution. In October, for example, members attended the commemoration of the attack on Fort William and Mary at Newcastle, New Hampshire. In addition, several articles were published during the year by Charles and Anne Eastman; one on Josiah Bartlett and his revolutionary role, another on the attack on William and Mary.

Miss Elaine Cheney attended a meeting in November related to methods of preserving town records and other early documents.

To date, the Town has allocated \$900.00 to the Committee. \$876.00 of this is being used to publish the first in a series of pamphlets publicizing Kingston during the American Revolution. They will be offered for sale to the general public, and the proceeds will then reimburse the Town. We are hoping that the first pamphlet will be ready in March, 1975.

In November at a general meeting of the Committee it was decided to hold a "Bunker Hill Week" early in June featuring New Hampshire militia units as well as other festivities.

Other projects presently underway are a photographic study of Kingston's historic buildings, an educational resources book in association with the New Hampshire - Vermont Educational Resources Center at Hanover, New Hampshire and a project with high school students at Sanborn Regional High School which is designed to interest students in both the study and the writing of history. This project hopefully will begin with the 1975-76 school year.

The Committee is interested in expanding its membership and invites all members of the community who feel that they might be able to contribute to the realization of our ultimate goals to help and get involved in our projects.

Respectfully,
Charles W. Eastman, Jr.
Co-Chairman, Kingston Revolutionary
Bicentennial Committee

**BICENTENNIAL COMMISSION
TREASURER'S REPORT**

The Bicentennial Commission purchased material which it was felt, might be helpful in the planning of a Bicentennial Observance. The following were the expenditures:

National Trust for Historic Preservations	\$4.50
Treasurer, Gen. National Soc. of D.A.R.	1.00
Institute of Early American History & Culture	<u>1.00</u>
Total Spent	\$6.50

The remaining balance of \$143.50 was turned back to the Town Treasurer to be held in a Fund for this Commission, to be used at a future date.

KINGSTON PLANNING BOARD

Annual Report - 1974

This report covers the work of the Planning Board as it was constituted prior to Town Meeting and the Board as it reorganized after Town Meeting.

The Planning Board met regularly on the first and third Thursdays of each month. Second and fourth Thursdays were used as workshops to complete the zoning change proposals for the November ballot. A total of 47 meetings, was held in 1974.

In January, the Board met with Regional Planning representatives to discuss possible future landfill problems at the dump and a joint effort toward better regulation of percolation testing.

In February, the Board held a joint meeting with the Conservation Commission to discuss a proposal for installation of a crude oil reclamation plant in town prior to the public hearing on the project.

Elections were held in March as required by law. The Board membership was reorganized as follows:

James Jackson	1977	
C. Steven Briggs	1975	Chairman
J. Kenneth Fowler	1976	
James Richard	1976	
Eileen Nash	1977	Secretary
Stanley Penny	1977	
Donald Clark	1975	Selectman ex-officio

Stanley Penny resigned in August and was replaced by Daniel Burbank, D.V.M.

In May, June and October, public hearings were held on the comprehensive Proposed Zoning Ordinance. The proposal was defeated in the November election.

During the year 12 subdivisions were approved.

J. Kenneth Fowler, Chairman
Eileen M. Nash, Secretary

ANNUAL REPORT OF THE KINGSTON FIRE DEPARTMENT

During 1974 your Fire Department has responded to 80 calls:

- 1 rescue
- 3 false alarms
- 3 lost children
- 4 chimney fires
- 12 car fires
- 15 dwelling fires
- 25 brush fires

17 mutual aid and stand by calls to neighboring towns

Ambulance calls will be listed separately in another report.

There are some residents who are not familiar with our department and I am including a brief resume which will be helpful in understanding our volunteer services.

The Fire Department has 2 stations: the Central Station housing 2 ambulances, 64 Ford 2000 gal tanker, 68 Chev attack truck, the aged 38 Diamond T hose carrier and pumper which has been placed on restrictive service by joint decision of the Fire Chief and Fire Wards and Station 2 on the Hunt Rd. housing the 54 Chev forestry unit, 54 GMC pump and hose carrier, and the 73 attack truck. Each fire truck is radio equipped and there is 1 base at the Central Station with 3 remotes at other locations.

There are approximately 70 active firemen and 41 monitors have been issued to firemen in different locations in the town to make possible the best response to fire calls. Each Sunday and holiday there is a volunteer fireman on duty at the Central Station to answer the red phone and maintain the radio base for communications. The Department is completely volunteer - there are 2 Assistant Fire Chiefs - Edward LeClair and Leo Prenaveau. I was appointed Fire Chief by the Selectmen on August 21 to fill the vacancy brought about by the resignation of William Friend.

A meeting of the Department is held once a month and drills are held 3 times a month. A pre-planned drill has been held at the Bakie School and at Sanborn Regional. The State Fire Marshall and I conducted a fire safety inspection at Sanborn Regional and the suggested improvements are being made. A similar inspection will be made at Bakie School.

In Sept., 18 men, including myself, attended a fire school at Fitz-William, N.H. in order to receive the most recent instruction and knowledge in firefighting techniques. These men all received diplomas in various courses. 2 men also attended a Scott Air Pack Training Session at the Brentwood Drill Yard.

During the year the Kingston Firemen's Association has contributed money which has been used to purchase Scott Air Packs, safety straps for firemen on rear of the trucks, and radio equipment.

642-5512 is the number to call for reporting fires and requesting ambulance service and I ask for your co-operation in calling this number only for these purposes.

Respectfully submitted
FRANK R. FELLOWS
Chief of the Kingston Fire Dept.

KINGSTON FIRE DEPARTMENT AMBULANCE SERVICE

During the past year the fire department ambulance made a total of 190 calls: 94 in town; 96 out of town. There are presently 21 licensed volunteers, five of these are E.M.T's.

During the past year we have tried a new system and found it to be very successful. Each attendant is on call at least once a week to insure that the ambulance is covered 24 hours a day.

With the co-operation of all attendants, the fire department ambulance in the past year has been very efficient.

Respectfully submitted,
DON BRIGGS, JR.

KINGSTON CONSERVATION COMMISSION ANNUAL REPORT

The year 1974 has been a very busy and productive one for the Conservation Commission.

We had a large turnover in membership this year. Carl Hornig was appointed to fill out the remainder of Cindy Nadeau's term, and R. Scott Lindsey was appointed to the Commission. Due to other pressing commitments, Gordon Bakie, Fred Tewksbury, and Scott were forced to resign. We hated to lose you gentlemen and look forward to your valuable assistance whenever possible. Mary George and Estelle Decatur were appointed to fill our Gordon's and Fred's unexpired terms, leaving only one vacancy at present.

In 1973, the Conservation Commission became responsible for the local investigation of all dredge and fill requests and have examined 11 such requests in this capacity.

Much work has been done on the Ford Foundation project and is expected to be completed in the early months of 1975. We would like to take this opportunity to thank all who have helped us with this project.

The Commission met with the Planning Board again during the year and have worked in conjunction with them throughout the year. We have enjoyed working with them and plan to continue.

In late summer, the Commission purchased a Water Testing Kit and is in the process of setting up a monitoring schedule for all the lakes and rivers in town. We are also looking into the reasonability of test kits for bacteria and organisms that may be harmful as well as chemical pollutants.

The Conservation Commission wants to thank all the townspeople for your support and assistance this past year and we are looking forward to another good year in 1975.

Respectfully submitted,
JOHN J. BAKIE
Chairman
